

40'

COASTAL CRAFT'S 40' OFFERS IMPRESSIVE PERFORMANCE AND FUEL ECONOMY.

40' Features:

- Coastal Craft's Signature Marine Aluminum Construction
- Two Staterooms with One Head with Separate Shower

Yacht finishing
High quality yacht construction
Built to ABYC yacht standards (*where applicable*)
7 to 29 knot cruising speeds
35 knots top speed
Impressive performance and fuel economy
Lower maintenance and operating costs
Superior strength
Low sound levels
IPS joystick offers ease of handling
Large swim step area
Cockpit lounge seating
Fly bridge with seating for seven
Excellent sight lines from lower helm
Spacious master stateroom
Large head with separate shower
Chef's galley
Yacht cherry interior finish work
E-plex® digital switching and monitoring
Automatic fire suppression system
Fusion® entertainment center
Window blinds
Awlgrip® yacht paint system
Micron CSC antifouling bottom paint
Humphree Vessel Trim System

Length overall - pulpit and swim step	43' 0"
Length on deck	40' 7"
Length @ waterline	36' 4"
Beam - maximum	14' 0"
Depth	7' 0"
Draft (including drives)	3' 6"
Air Draft	19' 0"
Displacement - fully loaded	30,000 lbs
Displacement - lightly loaded	23,000 lbs
Fuel capacity	400 US gal
Fresh water capacity	100 US gal
Propulsion	Twin Volvo® IPS 600
Engine	Twin Volvo® D6-435
Propellers	Twin Volvo® "Nibral"
Fuel	Diesel
Generators	Northern Light 6kW
Maximum Speed (Half Load)	35 knots
Max Cruising Speed (Half Load)	30 knots
Range @ 24 knots	400 NM
Range @ 7.5 knots	1100 NM

Construction

- Marine aluminum construction
- .313" 5086-H116 bottom plates
- .250" 5086-H116 transom and chines
- .188" 5086-H116 side plates
- .156" 5052-H32 decks
- .156" cabin and fly bridge
- .500" x 6" keel bar
- Welding - Pulse Mig Tech
- Soundown® hull, deck and cabin insulation
- Awlgrip® complete fairing and paint system

Deck Hardware

- Fittings all in 316 stainless steel
- 3" D-Rubber fender rail around swim step
- Nine 12" billet aluminum deck cleats (welded)
- 45lb Delta® anchor
- Anchor windless
- 100' chain and 300' x 5/8" rope (marked every 50')
- Pulpit with anchor roller assembly
- Safety glass (tempered) windshield
- Side windows: four sliding, tinted
- Rear windows: one sliding, two non-opening, tinted
- Hinged rear door with full height window, tinted
- "Lewmar" deck hatches (1x20", 2x12") in foredeck
- Non-slip deck coatings on side and foredeck

- Two reading lights

Main Helm Console

- Volvo® tilt steering
- Edson® wood trimmed steering wheel
- Electronic engine controls
- Volvo® Engine Management Panel
- Volvo joystick control (helm seat armrest)
- Contoured switching panel
- Humphree Vessel Trim Controls
- Ritchie® Navigator Compass
- 12v power point

Navigation Electronics

- (2) Garmin® 7616 Display (upper and lower)
- Radar/GPS plotter/Sounder
- Garmin® GMR 24 x HD Radar
- Garmin® GSD 24 sounder module
- Airmar® thru hull transducer (200kHz)
- Airmar® thru hull transducer (50kHz)
- Two Garmin® 200 VHF with antenna
- Volvo Autopilot with Joystick Steering

Machinery and Systems

- Northern Light® 6kW generator with sound shield
- Centek® waterlift and water/gas separator mufflers
- Aluminum fuel tank with two senders
- Stainless steel water tank with pressure sender
- Sealand 28 gallon waste tank with electric sender
- Racor® FG900 (dual) fuel/water filters
- Manual Whale bilge pump
- Two Z4A hull zinc anodes
- Soundown® engine room insulation

Propulsion

- Two Volvo® IPS600 (D6-435 diesel engines)
- Two Volvo® Joystick control

Electrical Equipment

- 24v DC house bank
- Victron® (lithium) 24v @ 360AH House Battery
- Two Energy1® (AGM) 12v Engine Start Battery
- Energy1® (AGM) 12v Generator Start Battery
- 240V/50A Shore Power
- E-Plex® distributed power and digital switching
- iPlex® Vessel Control and Monitoring System
- Victron® 5kW Quattro inverter/charger
- Two ProNautic® Charger (Engine and Gen)
- Charles® galvanic isolation transformer
- Navigation lights (LED)
- High water bilge alarms
- Water heater (AC)
- Three windshield wipers with SS arms and blades
- Windshield washer system
- Electric air horn
- Remote searchlight
- Navigation lights (LED)
- Humphree 500mm Vessel Trim System
- Bilge pumps (4 x 2000 gph, auto/man)
- High water bilge alarms
- High temperature alarms in engine room
- Fire suppression system (auto/man) in engine room
- Domestic water pump
- Imtra LED recessed ceiling lights on dimmers
- Utility lights in machinery compartment

Climate Control

- Windshield defrost system (engine source heat)
- Cruisair®16K air conditioning (salon)
- Cruisair®6K air conditioning (forward)

Miscellaneous
